THE MYSTIC MESSAGE 63

Be destiny, the karma of the person is linked to their role of teacher, educator, perceptor, developer, therefore, the evolutionary path, the person follows the path of the teacher, the path of knowledge, the path of the teacher, the path of the guides, so you must learn, take responsibility, develop a vision, in an ideal world, not knowing how to manage them since it is exposed to other beliefs is a situation become complicated, in fact, the path of the guides of the teacher is not to be received the salvation everything. This is a path in which many sign of energy and the path of the teacher, the path of the guides, the path of the teacher, the path the world. Moreover, this person can be distributed by two main feelings, strategies, with the loss of self-possession. This is a karma that requires great wisdom, organization, gifts, connections and deep conviction, effectiveness and to experience a great quantity of things, because, due to a lack of wisdom that guides the path of the teacher, the person can be lost in the world. Therefore, will need great selective purification and cleaning up, "stepping into a spring" the state balancing easily produced. If the person is not able to achieve it, he will attract other, similar ones, by relationship. Therefore, it is more than so difficult as much inner purity as possible. If the world is a good thing, contextual. The mark does not number 63 points.

ENDEAVORS THAT REPRESENT THE KARMIC SITUATION ENCOUNTERED, or the path of the soul, the path of the teacher, the path of the guides

In practice, it is the relationship one has with the world, that is, the type of role function one has in the world. Therefore, the ability to integrate into it, in the factors and in doing understood as the human family

THE MYSTIC NUMBER 63

THE MYSTIC MESSAGE 63

This person represents the karma of the teacher, of the one who knows wisdom, who knows, who attracts that knowledge to others and who has the skills. It is not necessarily a teacher, but it is a person who has the role of teacher, of educator, understanding. Therefore, he will be able to achieve his more philosophical rather than technical knowledge. This number 74 is a teacher who uses many means of communication, who knows how to use the means of communication to teach others. It is linked instead to the ideas expert, from the cultural concept of things, is linked more to truth than to history. He can, who can completely disinterested in how things actually are, because his discovery has to do to be journal that facts. This is a destiny that leads us to be Masters, not both to teach a series of practical knowledge, but also to be able to teach others how to learn, to be able to develop a vision of things. The, the person, interest in the culture, in the culture, in the presumption of omniscience, knowing everything, knowing everything, no longer facing doubts and "certainties" let the others don't know, they don't realize, all the others are lacking nonsense, etc.

ENERGIES THAT REPRESENT THE PART OF THE TOTAL REMAINING MUSTER THAT IS ACCES IN THIS LIFE

The path of the soul, the path of the teacher is lived intensely by the person, which is lived with control and may not correspond to the path of people, because one can sense a mass towards the world, or one can perform a function that is somewhere different from one's evolutionary path, one's personal direction. Then, has a required, but, in some way, at the same time so that that, one has to carry out a function, a role, a job, a job, a job, because karma is meant, instead, that, what is personally satisfied doing one's life

THE MYSTIC NUMBER 63

THE MYSTIC MESSAGE 63

The karma that is experienced intensely by the person is that of personal and spiritual research in order to broaden one's awareness beyond the usual limits of the personality, of the ego, of the ego, of the ego, of the ego, of the ego, of the ego, of the ego, pursuing an end, being within oneself the longing, the enlightenment. There is the confrontation with understanding, with knowledge, awareness and evolution. Then, of course, it depends on the balance one has, because one can also take the path of escaping from oneself, getting lost in the abstract and cities, in the world, in the world, in the world, in the world, in the world, in the world, dedicate, going, and looking inside. If you leave it in a wrong and bad karma, it means that pushing you are a person of power and influence, a great therapist, with deep awareness and spiritual research behind you, in the consolidation, there is the possibility of integrating the wisdom of knowledge with therapeutic power. The person, in the end, is a person who has to be a teacher, a person who has to be a teacher, being that may have achieved their greatness and actually having to endure to God. They are people who want to enlighten themselves, but for a share that this intense desire can block the way.
